Brand Deck and Requirements

# The concept

Wonder is a new dining concept that brings menus from celebrity chefs and award-winning restaurants from across the country to your neighborhood, all under one roof.

Wonder allows you to satisfy any craving, for lunch and dinner, at any price point. Enjoy iconic restaurants across a variety of cuisines, like authentic Mexican from Arizona, incredible BBQ from Texas, and D.C.'s Michelin-starred staple, Maydan.

You can also order exclusive, premium dishes from some of the world's best chefs like Bobby Flay and Marc Murphy. You can order via our mobile app, website, or in-person.
